Dear

## **Freedom of Information Act 2000 - Request for Information – NHS North East & North Cumbria Integrated Care Board.**

Thank you for your request received by North of England Commissioning Support (NECS) on 15 August 2022 for information held by NHS North East and North Cumbria Integrated Care Board (ICB) under the provisions of the Freedom of Information Act 2000.

For information Clinical Commissioning Groups ceased to exist on 30 June 2022. Services that were previously delivered by the CCG are now being delivered by the successor organisation NHS North East and North Cumbria (ICB). This covers the areas of County Durham, Newcastle Gateshead, North Cumbria, North Tyneside, Northumberland, South Tyneside, Sunderland and Tees Valley.

Please find the information you requested on behalf of the ICB as follows.

### **Request**

**As part of our work, we are looking into the palliative and end of life care that men with prostate cancer receive.**

**As the Palliative and End of Life Care Statutory Guidance for Integrated Care Boards (ICBs) (20 July 2022) has been published, we'd like to hear from ICBs on whether they have actioned the Palliative and End of Life Care self-assessment, to identify progress and gaps against the six Ambitions commitments (involving people with lived experience), please.**

**Is it possible to receive a copy of your self-assessment, if this is public, or be put into contact with someone who is able to assist with this.**
