Staff Mental Health and Wellbeing Hub

Do you need a bit of support?

The Staff Mental Health and Wellbeing Hub is here for anyone who works in health or social care in the North East or North Cumbria. It's free and confidential.

You might need support with challenges at work, at home, or both. We can offer you an appointment with a mental health professional or link you with other services for further support or treatment.

 Visit www.northeastnorthcumbria.nhs.uk and complete the online form
