Freedom of Information Act 2000 - Request for Information – NHS North East & North Cumbria Integrated Care Board (ICB)

Thank you for your request received by North of England Commissioning Support (NECS) on 23 August 2022 for information held by NHS North East and North Cumbria Integrated Care Board (NENC ICB) under the provisions of the Freedom of Information Act 2000.

For information Clinical Commissioning Groups ceased to exist on 30 June 2022. Services that were previously delivered by the CCG are now being delivered by the successor organisation NHS North East and North Cumbria (ICB). This covers the areas of County Durham, Newcastle Gateshead, North Cumbria, North Tyneside, Northumberland, South Tyneside, Sunderland and Tees Valley.

Details of Request

I was wondering if it would be possible to provide me with the updated email addresses for GP practices now that CCG's have migrated to ICB's as I have noticed some that I hold no longer work. I understand that this may take a while and is sensitive information, this is in relation to work I do alongside Durham Constabulary for TEWV in relation to referrals (I am an NHS employee). I have previously gotten the information from the information governance manager(s) at the respective CCG's but do not know if I now need to request this centrally now that they have changed to Integrated Care Boards.

Northumberland Area

The list is currently being updated; you would need to contact the individual GP practices to clarify which email address to use.

Appendix A.xlsx

South Tyneside Area

Please note that there is a process of changing e mail addresses for practices which is ongoing.

All practices have been reassured by NHSE Digital that their old e mail address will continue to work.

Tees Valley Area

The attached is for the former Tees Valley CCG. The list is currently being updated as we are aware that some of the addresses might have changed. This exercise will not be completed within the timeframes of the FOI.

In the meantime, the websites of individual Practices might include more up to date details that you can obtain directly. Some of the outdated addresses might trigger an out of office that gives new address details.
