Freedom of Information Act 2000 – Request for Information – NHS North East and North Cumbria Integrated Care Board (NENC ICB)

Thank you for your request received by North of England Commissioning Support (NECS) on 18 October 2023 for information held by NHS North East and North Cumbria Integrated Care Board (NENC ICB) under the provisions of the Freedom of Information Act 2000.

NENC ICB covers the areas of County Durham, Gateshead, Newcastle, North Cumbria, North Tyneside, Northumberland, South Tyneside, Sunderland and Tees Valley (which covers the 5 councils that make it up – Darlington, Hartlepool, Middlesbrough, Redcar & Cleveland and Stockton-on-Tees).

Your Request

Please can you let me know where I can find information about the proportion of your budget that has been spent on buying up mental health capacity in the private sector (both in-patient services, and community services)?

I'm aware that tendered contract information is available on the gov.uk website, but would like additional information (for example bed capacity which is being bought from private hospitals).

Our Response

The ICB spend with the private sector can vary year to year but in general around 6% of the total annual spend on mental health, learning disabilities and autism is with private sector providers.

In line with the Information Commissioner's directive on the disclosure of information under the Freedom of Information Act 2000 your request will form part of our disclosure log. Therefore, a version of our response which will protect your anonymity will be posted on the NHS ICB website <https://northeastnorthcumbria.nhs.uk/>.
