Freedom of Information Act 2000 - Request for Information – NHS North East & North Cumbria Integrated Care Board.

Thank you for your request received by North of England Commissioning Support (NECS) on 20th July 2022 for information held by NHS North East and North Cumbria Integrated Care Board (ICB) under the provisions of the Freedom of Information Act 2000.

For information Clinical Commissioning Groups ceased to exist on 30 June 2022. Services that were previously delivered by the CCG are now being delivered by the successor organisation NHS North East and North Cumbria (ICB).

Please find the information you requested on behalf of the ICB as follows.

Request

I would like to be informed of all the contracts between your Integrated Care Board and all non-NHS providers for health, mental health, children's services, and social care services in your ICS area, including the start and end dates of the contracts. I realise that some of this information will be held by the councils within your ICB area, so I need only the part of that information that you hold.

This information should include contracts that have been inherited by the ICB from the previous CCG(s) that had commissioning duties in the area until the 1st of July. And for the purposes of this FOI request, "NHS providers" are NHS Trusts and Foundation Trusts, which means that by non-NHS providers I mean private companies, charities, social enterprises, etc.
