Dear Applicant

Freedom of Information Act 2000 – Request for Information – NHS North East and North Cumbria Integrated Care Board (NENC ICB)

Thank you for your request received by North of England Commissioning Support (NECS) on 2 July 2024 for information held by NHS North East and North Cumbria Integrated Care Board (the ICB) under the provisions of the Freedom of Information Act 2000.

The ICB covers the areas of County Durham, Gateshead, Newcastle, North Cumbria, North Tyneside, Northumberland, South Tyneside, Sunderland, and Tees Valley (which covers the five local authorities of Darlington, Hartlepool, Middlesbrough, Redcar and Cleveland and Stockton-on-Tees).

Please find the information you requested on behalf of the ICB as follows.

Your Request

1. Name of ICS
2. Your name
3. Your email address
4. Your FOI reference
5. Does your system have measures in place to monitor provision of community rehabilitation services to patients?
6. What is being measured in relation to the delivery of community rehabilitation?
7. Are you in the process of establishing measures to monitor the provision of community rehabilitation services to patients?
8. Are you committed to establishing measures in the future?
9. When are you planning on committing to establishing measures?
10. In the last 12 months, have there been cuts to any resources allocated to support the provision of community rehabilitation?
11. What funding and/or services have been cut?
12. Are there plans to cut resources to support the provision of community rehabilitation in the next 12 months?

13. Does your system have a single accountable lead for rehabilitation working at director/board level?
14. What is their name and job title?
15. If you do not have a single accountable lead with overall responsibility for rehabilitation working at director/board level, are you recruiting someone to take on this work? When do you intend to have someone in post?
16. Does your system have a non-board/non-director level employee with a specific remit/portfolio to take forward the development of rehabilitation services?
17. What is their name and job title?
18. Does your system have a rehabilitation programme setting out plans to deliver, expand, integrate and redesign services?
19. Is your system taking forward the recommendations and actions set out in the Intermediate Care Framework issued by NHSE in September 2023?
20. What improved outcomes have been achieved for patients as a result of your system's focus on the recommendations of the Intermediate Care Framework this year?
21. Please tell us how you are developing the capacity of your services to shift rehabilitation from the acute hospital to settings outside of an acute hospital (ICF Pathway 1 – Home-based care) for patients with urgent rehab needs? In your answer, please cover:
 - current demand for these services
 - system capacity commissioned to meet demand for 2023/24
 - your capacity to meet demand for 2024/25
 - how much of your 2023/2024 capacity is for rehabilitation
 - how much of your 2024/2025 capacity is for rehabilitation
 - how much of your 2023/2024 capacity is for domiciliary care
 - how much of your 2024/2025 capacity is for domiciliary care
22. Please tell us how you are developing capacity to increase the productivity of acute and non-acute rehabilitation services across bedded care (ICF Pathway 2 – Bed-based care) to improve flow, length of stay and clinical outcomes? In your answer please cover:
 - current demand for these services
 - system capacity commissioned to meet demand for 2023/24
 - your capacity to meet demand for 2024/25
 - how much of your 2023/2024 capacity is for rehabilitation

9. See above.
10. No however a percentage efficiency have been requested on all ICB contracts for efficiency savings.
11. This response is in general terms in that we have not cut resources from any of our NHS service providers. The ICB have not cut resources allocated to this service.
12. No
13. No We have a Chief of Nursing, AHP and People – with oversight of rehab and a Chief Delivery Officer who is overall responsible for community provision
14. David Purdue Chief of Nursing, AHP and People/ Levi Buckley Chief Delivery Officer
15. As above
16. No
17. N/A
18. Redesign is carried out locally as part of the partnership approach based on Better care fund plans which are are different as they meet the need of their populations.
19. Work ongoing as part of local system working as mentioned above and including winter planning to support capacity planning.
20. Not all data is held by the ICB, but will be reviewed in year through contract management and local system dash boards.
21. As part of past data and the local working to develop better care plans, improve hospital discharge pathways inc virtual wards local systems are working together to support more patients at home. A new community focussed - Living and ageing well NENC ICB wide committee is currently being established to support this local work and provide a great emphasis on community based working.
22. See BCF C&D plans for intermediate care for 5 Tees Valley Las
Current capacity exceeds demand for rehabilitation/reablement (please note this narrative includes both). A like-for-like comparison between years has not been possible due to differences in coding across the BCF capacity and demand templates, and data is not codified in the way described in the question above regarding urgency of need.
