Baseline assessments: contemporary practice in housing and care

Wednesday 8 May 2024

Housing LIN

Introduction: baseline assessments

Housing LIN

Connecting people, ideas and resources

- 1. Older People*
- 2. Complex Needs*
- 3. Cold and Damp*

Baseline assessments draw on:

- Relevant quantitative and qualitative evidence.
- Views and perspectives of range of stakeholders
- Evidence of 'good practice' that is relevant to these three strategic objectives, both locally and nationally.

Older persons – housing pathway and options

Housing LIN

Connecting people, ideas and resources

- New build general needs housing that better suits ageing in place.
- Making best use of existing sheltered and retirement housing

Older persons – housing pathway and options

Housing LIN

Connecting people, ideas and resources

- Develop new build age-designated (sheltered/retirement) housing.

Older persons – housing pathway and options

Housing LIN

Connecting people, ideas and resources

Developing additional extra care housing

Complex needs – housing pathway and options

Housing LIN

Connecting people, ideas and resources

Complex needs – housing pathway and options

Housing LIN

Connecting people, ideas and resources

Complex needs – housing pathway and options

Housing LIN

Cold and damp homes – joint framework

Housing LIN

Connecting people, ideas and resources

- A. London: A Housing checklist to support identification of housing and clinical concerns related to mould and damp exposure*
- B. Gloucestershire: A joint action plan for healthy homes*
- C. West Sussex: Health and Care in Housing Memorandum of Understanding*
- D. Greater Manchester: Better Homes, Better Neighbourhoods, Better Health*
- E. Sheffield: A joint approach to Housing and Children & Young People's Health*

Practice informing local action

Housing LIN

Connecting people, ideas and resources

- Drawing on a range of local and national contemporary practice examples
- Feeding into regional community of practice
- Views of people with lived experience – housing needs and preferences
- Aligning with recent national policy covering supported housing, e.g. Supported Housing (Regulatory Oversight) Act
