Dear

## **Freedom of Information Act 2000 – Request for Information – NHS North East and North Cumbria Integrated Care Board**

Thank you for your request received by North of England Commissioning Support (NECS) on 18 January 2023 for information held by NHS North East and North Cumbria Integrated Care Board (ICB) under the provisions of the Freedom of Information Act 2000.

For information Clinical Commissioning Groups ceased to exist on 30 June 2022. Services that were previously delivered by the CCG are now being delivered by the successor organisation NHS North East and North Cumbria (ICB). This covers the areas of County Durham, Newcastle Gateshead, North Cumbria, North Tyneside, Northumberland, South Tyneside, Sunderland and Tees Valley.

Please find the information you requested on behalf of the ICB as follows.

### **Request**

Please list all the individual GP practices within your ICB, including the provider / operator of the practice (e.g. Lakeside, Operose etc), the patient list sizes and the provider / operator of the practice.

We have attempted to do this using both the GP data the NHS provides and the CQC, and neither provide this information fully as some GP practice that are owned by certain large groups are not listed as being run by these operators, therefore that ICB's would have the most accurate information.

### **Response**
