Dear Applicant

Freedom of Information Act 2000 – Request for Information – NHS North East and North Cumbria Integrated Care Board (NENC ICB)

Thank you for your request received by North of England Commissioning Support (NECS) on 24 June 2024 for information held by NHS North East and North Cumbria Integrated Care Board (the ICB) under the provisions of the Freedom of Information Act 2000.

The ICB covers the areas of County Durham, Gateshead, Newcastle, North Cumbria, North Tyneside, Northumberland, South Tyneside, Sunderland, and Tees Valley (which covers the five local authorities of Darlington, Hartlepool, Middlesbrough, Redcar and Cleveland and Stockton-on-Tees).

Please find the information you requested on behalf of the ICB as follows.

Your Request

Under FOI could you please share the full Special Educational Needs & Disabilities report/presentation that was presented to the Quality & Safety Committee in January 2024.

Our Response

We can confirm, as per Section 1(1) of the Freedom of Information Act 2000, the ICB does hold the information requested. However, on this occasion, it is not possible to satisfy all elements of your request.

The Freedom of Information Act (FOIA) 2000 contains a number of exemptions that allow a public authority to withhold certain information from release. Some of the requested information is exempt under s.43(2) of the FOIA2000 as disclosure is likely to prejudice the commercial interests of a person as defined by the Act.

The s.43(2) exemption applies to slides 16 and 25 of the Special Educational Needs & Disabilities presentation.

The information detailed in these slides presents generalised themes and risks which could incorrectly influence public and or organisational perception of the ICB and individual provider service provision for SEND, that are not accurate across the whole of the ICB.

Disclosure of inaccurate information could result in unnecessary concerns for individuals' families and organisation relating to SEND and the support their children and young people receive. Subsequent disclosure to the press or via social media could also result in inaccurate disclosures which may then result in reputational damage for the ICB and or commissioned providers.

S.43(2) of the Freedom of Information Act protects against the disclosure of information where it would be likely to prejudice the commercial interests of either a third party or the public authority itself. We are of the opinion the release of the specific details would, or would be likely to, prejudice the commercial interests of NENC ICB and/or commissioned providers.

In accordance with the Information Commissioner's directive on the disclosure of information under the Freedom of Information Act 2000 your request will form part of our disclosure log. Therefore, a version of our response which will protect your anonymity will be posted on the NHS ICB website <https://northeastnorthcumbria.nhs.uk/>.

If you have any queries or wish to discuss the information supplied, please do not hesitate to contact me on the above telephone number or at the above address.

If you are unhappy with the service you have received in relation to your request and wish to request a review of our decision, you should write to the Senior Governance Manager using the contact details at the top of this letter quoting the appropriate reference number.

If you are not content with the outcome your review, you do have the right of complaint to the Information Commissioner as established by section 50 of the Freedom of Information Act 2000. Generally, the Information Commissioner cannot make a decision unless you have exhausted the complaints procedure provided by the North of England Commissioning Support Unit.
