Dear Applicant

Freedom of Information Act 2000 – Request for Information – NHS North East and North Cumbria Integrated Care Board (NENC ICB)

Thank you for your Freedom of Information (FOI) request received by the North East and the North Cumbria Integrated Care Board (NENC ICB) on 16 January 2024.

NENC ICB covers the areas of County Durham, Gateshead, Newcastle, North Cumbria, North Tyneside, Northumberland, South Tyneside, Sunderland, and Tees Valley (which covers the 5 councils that make it up – Darlington, Hartlepool, Middlesbrough, Redcar & Cleveland, and Stockton-on-Tees).

We have dealt with your request in accordance with your “right to know” under section 1(1) of the Freedom of Information Act 2000 (subsequently referred to as FOIA2000) which entitles you to be provided with information “held” by a public authority unless an appropriate exemption applies.

Your Request

I would like to understand the number of serious incidents or never events that have been recorded by ophthalmology departments in relation to missed follow up appointments for wet AMD or glaucoma monitoring.

By Missed I mean delayed or remaining unbooked for hospital reasons such as lack of capacity rather than patient cancellations.

If it is possible to have this for the 2022/23 year versus 2023/24 year to date please. If you represent more than one ICB - please can you supply for all.

Our Response

On this occasion it is not possible to provide the requested information. In line with your rights under section 1(1)(a) of the Act to be informed whether information is held, we confirm the ICB does not hold any of the information requested.

Your request will need to be redirected to the providers of the service which are the Foundation Trusts as follows:
